CTF Investment Allowance 2013-14

The CTF Regulations have been amended to include the new subscription limits for 2013/14, which were announced in Bulletin 66. The limit from 6 April 2013 will be £3,720.

Fortnightly Returns

The regulations also end the requirement to make a fortnightly return. We would like to remind providers that the final fortnightly return will be those for the periods

- 16th to 28th February 2013 (filing period 1st to 5th March 2013)
- 1st to 15th March 2013 (filing period 16th to 20th March 2013)

Providers should therefore ensure their returns for these periods are made on time, and include responses to all outstanding instructions from previous schedules. Full details can be found in Bulletin 65.
