Notes:

- 1 These numbers do not fall under National Statistics. The tables are based on an extract from the CTF computer system on 18 December 2006, showing vouchers issued and accounts reported as being opened by 17 December.
- 2. Each account was assigned to its Westminster Parliamentary Constituency by matching to the May 2006 All Fields Postcode Directory using the address postcode on the CTF system.
- 3. There were around 24,000 cases where the postcode was missing or could not be matched to the Westminster Parliamentary Constituency or Government Office Region.
- 4. These figures include vouchers that have not yet been used by parents and have not yet expired.
