Provisional figures.

1. A small number of accounts will not yet have been opened by either the parents or HMRC. This can be where the voucher has not yet expired, or for example where the child has died or emigrated before an account was opened.
2. Figures for the Isle of Scilly are combined with Penrith as they are too small for non-disclosive figures.

These numbers do not fall under National Statistics. They are based on Child Trust Fund (CTF) and Child Benefit (CB) administrative data. Account status information is taken from CTF endowment records as at 17 September 2009, CTF contribution and account balance information is taken from the annual provider returns of 5 April 2009 and CB from the June 2009 data.

These tables cover accounts open for all children born between 1 September 2002 and 5 April 2008.

Please see the CTF Detailed Distributional Analysis 2009 for complete technical notes.
