Housing costs element								

	Tenants	The lower of the broad market rental area amount for the number of bedrooms the claimant is entitled to or the actual rent. As long as a claimant doesn't have a change of circumstance, the amount of Universal Credit received to cover housing costs will be the same each month. This means that where rental agreements include rent free periods the Universal Credit payment will be based on the total yearly rent divided by 12.	No change	no change	No change	No change	No change	No change
	Owner occupier (not applicable if in paid work)	Not payable during initial qualifying period of 3 months.	No change	no change	No change	No Change	No Change	No change

		Some service charges are covered by this element including internal or external maintenance or repair of the accommodation if it is part of a social housing property award. Calculated from the amount of mortgage/ loan outstanding up to maximum of £200k. Multiplied by a standard rate (3.63%) and then divided by 12.						
Capital limits
