About Child Benefit

Child Benefit usually stops once a child has been looked after by a local authority or Health and Social Services Board or Trust for 8 consecutive weeks or more. This form is to provide information so that entitlement to Child Benefit can be properly decided.

Different rules apply depending on whether the child is:
- in residential accommodation only because of a disability or illness
- looked after under a voluntary arrangement
- looked after under an order made by a court, or in Scotland by a children’s hearing.

On this form, where we use the term child or children, we also include young person or young people.

The Child Benefit Guidance Notes which accompany this form give more information about these different rules.

When to send this form

Please complete this form and post or fax it to the Child Benefit Office as soon as it is clear that the child will be looked after for longer than 8 weeks, for example, immediately after the statutory LAC review at 4 weeks. But in any event no later than 8 weeks. There is no need to notify the Child Benefit Office if the child is being looked after for less than 8 weeks.

Important:
- the consent of the customer is required at Part 8
