Availability of schedules following filing period 1 March 2011 to 5 March 2011

We have now processed the returns for the filing period 1 March 2011 to 5 March 2011 and you should be able to retrieve your schedules later today.

Once again, we apologise for any inconvenience this may have caused.

Provider fortnightly returns - inserting the endowment payment reference

CTF providers who are able to insert the endowment payment reference on fortnightly returns should do so. This will assist in identifying payments and reduce the number of rejections providers receive.
